The Cherokee Triangle Art Fair is an all-volunteer organization made up of neighbors, friends, and businesses. Profits from the Art Fair are generated from artist booth fees, food, drink and plant sales, Association booth sales, and the Children's Art Tent.

These profits are invested directly in the neighborhood and community - including free summer concerts in Willow Park and the restoration of Willow Park Project - among other initiatives.

In consideration of others, please leave pets, skateboards, and skates at home, and please walk your bike through the Art Fair area.
